

We are hiring!

Consider a career with California's largest nonprofit provider of mental health and substance use services

Are you passionate about advancing behavioral and mental healthcare services and seeking new job opportunities? Consider a career with Pacific Clinics!

We are California's largest nonprofit provider of mental health and substance use services, focused on delivering services within underserved communities reaching 25,000 Californians and their family members each year.

To learn more, join our Clinical leadership teams for our Virtual and In Person Career Event on Wednesday February 8, 2023! We will be highlighting impactful high school, bachelors and masters level positions at our San Jose, Campbell, and Los Gatos California locations! We look forward to meeting you!
